

Incident handler's journal

Instructions

As you continue through this course, you may use this template to record your findings after completing an activity or to take notes on what you've learned about a specific tool or concept. You can also use this journal as a way to log the key takeaways about the different cybersecurity tools or concepts you encounter in this course.

Date: 2026/09/16	Entry: Record the journal entry number: 1.
Description	A small U.S. health care clinic experienced a security incident on Tuesday at 9:00 am. This incident involved all the employees of the company and interrupted all the business operations. A group of unethical hackers used a phishing mail as an attack vector in order to install ransomware and encrypt all data stored by the company. They left a ransom note and demanded money in exchange for the decryption key.
Tool(s) used	None
The 5 W's	Capture the 5 W's of an incident. • Who caused the incident? A group of unethical hackers • What happened? A malicious attachment downloaded in a phishing mail installed ransomware

	• When did the incident occur? Tuesday at 9:00 am • Where did the incident happen? On server and devices of a small U.S. health care clinic • Why did the incident happen? Someone downloaded the malicious attachment without recognising the phishing email.. A group of unethical hackers used a phishing mail as an attack vector in order to install ransomware and encrypt all data stored by the company. They left a ransom note and demanded money in exchange for the decryption key. Motivations appear to be financial.
Additional notes	Security training for employees should be put in place to avoid these type of situation and making the employees aware of how to handle this social engineering attacks

Date: Record the date of the journal entry.	Entry: Record the journal entry number.
Description	Provide a brief description about the journal entry.
Tool(s) used	List any cybersecurity tools that were used.
The 5 W's	Capture the 5 W's of an incident. • Who caused the incident? • What happened?

	• When did the incident occur? • Where did the incident happen? • Why did the incident happen?
Additional notes	Include any additional thoughts, questions, or findings.

Date: Record the date of the journal entry.	Entry: Record the journal entry number.
